IMPORTANT NOTICE

NOTICE OF TERRORISM INSURANCE COVERAGE

NOTICE - DISCLOSURE OF PREMIUM

Applies to all Commercial Policies, except for Farmowners Multiperil, Business Auto and Crime

(This disclosure notice does not provide coverage, and it does not replace any provisions of your policy. You should read your policy for complete information on the coverages you are provided. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.)

Coverage for acts of terrorism is included in your policy. You are hereby notified that the Terrorism Risk Insurance Act, as amended in 2019, defines an act of terrorism in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

Other than for Workers Compensation, the portion of your annual premium that is attributable to coverage for acts of terrorism is \$0 and does not include any charges for that portion of losses covered by the United States Government under the Act.

For Workers Compensation, the portion of your annual premium that is attributable to coverage for acts of terrorism is shown on your declarations page and does not include any charges for the portion of losses covered by the United States government under the Act.

We appreciate your business and look forward to continuing to serve you. If you have any questions, or would like to learn about additional coverage options, please contact your Nationwide agent.

Flood Insurance Notice

Thank you for choosing Nationwide® to help you protect what's important to you. We value your business and want to ensure you have current information about your policy.

What you need to know

Your policy does not cover damage from floods to any property resulting directly or indirectly from "water".

Excluded "water" losses include, but are not limited to those caused by:

- Flood
- Surface water
- Waves
- Tides
- Tidal waves
- Overflow of any body of water, or their spray, all whether driven by wind or not.

These types of loss or damage caused by "water" are excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. You'll need to read your policy for all of the details about excluded water losses. This is just a summary of the excluded water losses to highlight some important flood-related issues.

Additional information

In most communities you can obtain flood insurance policies backed by the federal government's National Flood Insurance Program, through your agent. In those qualifying communities, you can obtain flood insurance protection for your property regardless of your flood zone or flood risk.

Your agent can assist you in:

- Determining if your community participates in the National Flood Insurance Program
- Assessing your flood risk
- Understanding flood policy availability

To learn more about flood insurance and your risk of flooding, access the National Flood Insurance Program's consumer website at www.FloodSmart.gov.

As you consider the risk of flooding in your area and consider your options for obtaining valuable protection, consider that:

- All property is in a flood zone, regardless of whether an area has been defined as high risk or low risk.
- Nearly 25% of all flood claims are for properties located in lower-risk flood areas or locations where flooding is not expected.
- Floods can happen anywhere, at any time, causing anguish, destruction, and financial damage.
- Changing weather patterns, as well as residential and business development, may increase your chance of experiencing a flood.
- Flooding can occur as a result of clogged, overloaded, or inadequate storm drains. You don't have to live near a body of water to be flooded.
- Federal disaster assistance is often a loan and must be repaid with interest.

Ask your agent about obtaining flood insurance for your property today.

Florida Building Code Effectiveness Grading Schedule

Thank you for choosing Nationwide® to help you protect what's important to you. We value your business and want to ensure you have current information about your policy.

What you need to know

The Building Code Effectiveness Grading Schedule (BCEGS) is a program developed by The Insurance Services Office, a rating bureau used by many insurance companies that grades the adequacy of the building construction codes in a community and the enforcement of those codes. Building insurance premiums can receive credits or debits based on a community's grade. BCEGS was developed in response to the high cost and frequency of catastrophes such as windstorm, hurricane and earthquake. The goal is to reduce property losses, as well as the economic and social disruption that catastrophes can cause.

Any credit or debit that currently applies to your building has already been calculated into your premium. You will not receive a separate refund or billing for BCEGS. The BCEGS program began in 1995, so not all buildings are eligible to receive a credit or debit. You will be subject to a small debit if your community is not participating in BCEGS. You will only receive a credit if the windstorm cause of loss is not excluded, or if earthquake cause of loss is provided, and your building was constructed after your community was graded, recertified as a result of an addition or significant alteration after your community was graded, or if your building has been individually graded.

Additional information

If you believe your building deserves a credit, or a better credit than the community is graded for, you can apply for individual grading. A building design professional must inspect the structure and either recertify it complies with your community's current building codes or certify it complies with the natural hazard provisions of a nationally recognized model building code. The Southern Building Code is an example.

There are cases in which you may want to consider individual grading:

- 1) Your building was constructed before your community was graded;
- 2) The community received less than the best possible grade;
- 3) The community has not yet been graded; or
- 4) The community has decided not to participate in the BCEGS program (Non-participating communities receive a debit).

An additional consideration with individual grading is the building design professional will bill you for the cost. The fee is set by the inspector and is anticipated to cost several hundred dollars.

For more information about the BCEGS program, call your agent.

FLORIDA AMENDATORY ENDORSEMENT

This endorsement modifies insurance provided under the following:

PREMIER BUSINESSOWNERS COMMON POLICY CONDITIONS
PREMIER BUSINESSOWNERS PROPERTY COVERAGE FORM

A. In the COMMON POLICY CONDITIONS, under condition A. CANCELLATION, paragraph 2. is replaced by the following:

2. CANCELLATION FOR POLICIES:

a. In Effect 90 Days Or Less

(1) If this policy has been in effect for 90 days or less, we may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, accompanied by the specific reasons for cancellation, at least:

(a) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(b) 20 days before the effective date of cancellation if we cancel for any other reason, except we may cancel immediately if there has been:

(i) A material misstatement or misrepresentation; or

(ii) A failure to comply with underwriting requirements established by the insurer.

(2) We may not cancel:

(a) On the basis of property insurance claims that are the result of an act of God, unless we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or

(b) On the basis of filing of claims for partial loss caused by "sinkhole loss", regardless of whether this policy has been the subject of a sinkhole claim, or

on the basis of the risk associated with the occurrence of such a claim. However, we may cancel this policy if:

(i) The total of such property insurance claim payments equals or exceeds the policy limits of coverage, in effect on the date of loss for property damage ; or

(ii) You have failed to repair the structure in accordance with our expert engineer's recommendations upon which any loss payment or policy proceeds were based.

(c) Solely on the basis of a single property insurance claim which is the result of water damage, unless we can demonstrate that you have failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.

b. In Effect For More Than 90 Days

(1) If this policy has been in effect for more than 90 days, we may cancel this policy only for one or more of the following reasons:

(a) Nonpayment of premium;

(b) The policy was obtained by a material misstatement;

- (e) The cancellation is for all insureds under such policies for a given class of insureds;
 - (f) On the basis of property insurance claims that are the result of an act of God, if we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property;
 - (g) On the basis of filing of claims for partial loss caused by "sinkhole loss", or on the basis of the risk associated with the occurrence of such a claim, if:
 - (i) The total of such property insurance claim payments equals or exceeds the policy limits of coverage for property, in effect on the date of loss, for property damage; or
 - (ii) You have failed to repair the structure in accordance with "our" expert engineer's recommendations upon which any loss payment or policy proceeds were based; or
 - (h) On the basis of a single property insurance claim which is the result of water damage, if we can demonstrate that you have failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.
- (2). If we cancel this policy for any of these reasons, we will mail or deliver to the first Named Insured written notice of cancellation, accompanied by the specific reasons for cancellation, at least:
- (a) 10 days before the effective date of cancellation if cancellation is for nonpayment of premium; or
 - (b) 45 days before the effective date of cancellation if cancellation is for one or more of the reasons stated in Paragraphs 1.(a) through 1.(h) above.

B. In the COMMON POLICY CONDITIONS, under condition A. CANCELLATION, paragraph 5. is replaced by the following:

- 5. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, we will mail the refund within 15 working days after the date cancellation takes effect, unless this is an audit policy. If this is an audit policy, then, subject to your full cooperation with us or our agent in securing the necessary data for audit, we will return any premium refund due within 90 days of the date cancellation takes effect. If our audit is not completed within this time limitation, then we shall accept your own audit, and any premium refund due shall be mailed within 10 working days of receipt of your audit.

The cancellation will be effective even if we have not made or offered a refund.

C. The following is added to the COMMON POLICY CONDITIONS and supersedes any provisions to the contrary:

NONRENEWAL

- 1. If we decide not to renew this policy we will mail or deliver to the first Named Insured written notice of nonrenewal, accompanied by the specific reason for nonrenewal, at least 45 days prior to the expiration of the policy.
- 2. Any notice of nonrenewal will be mailed or delivered to the first Named Insured's last mailing address known to us. If notice is mailed, proof of mailing will be sufficient proof of notice.
- 3. We may not refuse to renew this policy:
 - a. On the basis of property insurance claims that are the result of an act of God, unless we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or

- b. On the basis of filing of claims for partial loss caused by "sinkhole loss", regardless of whether this policy has been the subject of a sinkhole claim, or on the basis of the risk associated with the occurrence of such a claim. However, we may refuse to renew this policy if:

- (1) The total of such property insurance claim payments equals or exceeds the policy limits of coverage, in effect on the date of loss, for property damage; or
- (2) You have failed to repair the structure in accordance with our expert engineer's recommendations upon which any loss payment or policy proceeds were based.
- (3) Solely on the basis of a single property insurance claim which is the result of water damage, unless we can demonstrate that you have failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.

- D. In the COMMON POLICY CONDITIONS, paragraph C. CONCEALMENT, MISREPRESENTATION OR FRAUD is replaced by the following:

This policy is void in any case of fraud by you as it relates to the policy, or claim made, at any time. It is also void if you or any insured, at the time of application, conceal, misrepresent or make an incorrect statement regarding a fact material to the acceptance of the risk or hazard assumed by the company.

E. AMENDMENTS TO THE PROPERTY COVERAGE FORM:

1. Sinkhole Collapse Coverage Removed

Throughout the policy Sinkhole Collapse cause of loss is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement exclusion.

Further this policy does not insure against "sinkhole loss" unless an endorsement for "sinkhole loss" is made a part of this policy.

2. In Section A. COVERAGES, under 2. PROPERTY NOT COVERED, paragraph d. is replaced by the following:

- d. Land (including land on which the property is located) or the replacement, rebuilding, restoration, stabilization or value of such land, water, growing crops or lawns;

3. Catastrophic Ground Cover Collapse

The following is added to Section A. COVERAGES as a Covered Cause Of Loss:

We will pay for direct physical loss or damage to Covered Property caused by or resulting from "catastrophic ground cover collapse", unless such loss is excluded elsewhere in this policy.

HOWEVER, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a "catastrophic ground cover collapse".

"Catastrophic ground cover collapse" does not include:

- (i) Sinking or collapse of land into man-made underground cavities; or
- (ii) Earthquake.

Under the Earth Movement exclusion, reference to earth sinking does not apply to "catastrophic ground cover collapse".

Even if loss or damage qualifies under, or includes, both "catastrophic ground cover collapse" and "sinkhole loss" (if that coverage is elected by "you" and included in this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

4. In Section A. COVERAGES, 6. COVERAGE EXTENSIONS, under a. Newly Acquired or Constructed Property, in paragraph (1)(b), the limit of insurance for each building is replaced by \$250,000 and in paragraph (2) for Business Personal Property, the limit of insurance at each premises is replaced by \$100,000.

5. Under Section A. COVERAGES, 6. COVERAGE EXTENSIONS, paragraph j. is replaced by the following:

j. Business Income and Extra Expense – Increased Period of Restoration Due to Ordinance or Law

If a Covered Cause of Loss occurs to property at the premises described in the Declarations, coverage is extended to include the amount of actual and necessary loss you sustain during the first 30 days of the "period of restoration" of "operations" caused by or resulting from the enforcement of any ordinance or law that:

49304000365175

INSURED COPY

OH 61487

- (1) Regulates the construction or repair of any property;
- (2) Requires the tearing down of parts of any property not damaged by a Covered Cause of Loss; and
- (3) Is in force at the time of loss.

HOWEVER, coverage is not extended under this Business Income and Extra Expense –Increased Period of Restoration Due to Ordinance or Law Extension to include loss caused by or resulting from the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

And, if Ordinance or Law Optional Coverages, Coverage 1 – Loss to the Undamaged Portion of Building or Coverage 2 – Demolition Cost and Broadened Increased Cost of Construction apply, the 30 days limit is removed.

6. The following provisions are added to Paragraph E.3. **Duties In the Even Of Loss Or Damage** Property Loss Condition:

- a. A claim, or reopened claim for loss or damage caused by any peril is barred unless notice of claim is given to us in accordance with the term is of this Policy within two years after the date of loss. A reopened claim means a claim that we have previously closed but that has been reopened upon your request for additional costs for loss or damage previously disclosed to us.

A supplemental claim is barred unless notice of the supplemental claim was given to us in accordance with the terms of the Policy within three years after the date of loss. A supplemental claim means a claim for additional loss or damage from the same peril which we have previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us.

For claims resulting from hurricanes, tornadoes, windstorms, severe rain or other weather-related events, the date of loss is the date that the hurricane made landfall or

the tornado, windstorm, severe rain or other weather-related event is verified by the National Oceanic and Atmospheric Administration.

This provision concerning time for submission of claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this Policy under the Legal Action Against Us Condition including any amendment to that condition.

- b. Any inspection or survey by us, or on our behalf, of property that is the subject of a claim, will be conducted with at least 48-hour notice may be waived by you.

7. Under Section E. PROPERTY LOSS CONDITIONS, 4. Legal Action Against Us, paragraph b. is replaced by the following:

- b. Legal action against us involving direct physical loss or damage to property must be brought within 5 years from the date the loss.

8. Under Section E. PROPERTY LOSS CONDITIONS, 5. Loss Payment, paragraph e.(1) is deleted and replaced with the following at the beginning as a heading:

COINSURANCE CLAUSE:

- (1) At replacement cost without deduction for depreciation, subject to the following:

(a) If, at the time of loss, the Limit of Insurance on the lost or damaged property is 80% or more of the full replacement cost of the property immediately before the loss, we will pay the cost to repair or replace, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts, subject to E.5.b. above:

(i) The Limit of Insurance under this policy that applies to the lost or damaged property;

(ii) The cost to replace, on the same premises, the lost or damaged property with other property:

- i. Of comparable material and quality; and

- ii. Used for the same purpose; or

(iii) The amount that you actually spend that is necessary to repair or replace the lost or damaged property.

(b) If, at the time of loss, the Limit of Insurance applicable to the lost or damaged property is less than 80% of the full replacement cost of the property immediately before the loss, we will pay the greater of the following amounts, but not more than the Limit of Insurance under this policy that applies to the property:

- (i) The "actual cash value" of the lost or damaged property; or
- (ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.

(c) You may make a claim for loss or damage covered by this insurance on an "actual cash value" basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an "actual cash value" basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.

(d) We will not pay on a replacement cost basis for any loss or damage:

- (i) Until the lost or damaged property is actually repaired or replaced; and
- (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

9. Under Section E. PROPERTY LOSS CONDITIONS, 5. Loss Payment, paragraph h. is replaced by the following:

h. Provided you have complied with all the terms of this Policy, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you; or
- (2) Within 30 days after we receive the sworn proof of loss and there is an entry of a final judgment

10. If "windstorm" is a Covered Cause of Loss, and Covered Property is located in:

a. Monroe County; or

b. East of the west bank of the Intra-Coastal Waterway in

- (1) Broward County;
- (2) Dade County;
- (3) Indian River County;
- (4) Martin County;
- (5) Palm Beach County; or
- (6) St. Lucie County,

and if loss or damage to Covered Property is caused by or results from "Windstorm", the following exclusion applies:

WINDSTORM EXTERIOR PAINT OR WATERPROOFING EXCLUSION

We will not pay for loss or damage caused by "windstorm" to:

- (1) Paint; or
- (2) Waterproofing material; applied to the exterior of Buildings unless the Building to which such loss or damage occurs also sustains other loss or damage by "windstorm" in the course of the same storm event. But such coverage applies only if "windstorm" is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- (1) The amount of the Windstorm or Hail Deductible; or
- (2) The value of Covered Property.

11. If "windstorm" or hurricane is a Covered Cause of Loss and the Covered Property suffers a "windstorm" or hurricane loss, your claim, supplemental claim or reopened claim is barred unless notice is given to us within 3 years after the hurricane first made landfall or the windstorm first caused the covered damage.

For purposes of this section, the term "supplemental claim" or "reopened claim" means any additional claim for recovery from us for losses from the same hurricane or "windstorm" which we have previously adjusted pursuant to the initial claim.

1. Under 5. Additional Coverages, e. Collapse, paragraphs (1), (2) (3) and (5) are deleted and replaced by the following:

(1) For the purpose of this Collapse Additional Coverage collapse means an abrupt falling down or caving in of a building

49304000365184

INSURED COPY

OH 61487

or any part of a building that results in the entire building completely falling down and reduced to rubble.

(2) We will pay for direct physical loss of or damage to Covered Property, caused by abrupt collapse of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:

(a) Building decay of a supporting or weight-bearing building structural member that is "hidden" from view, unless the presence of such decay is not "hidden" to any "insured" prior to the abrupt collapse;

(b) Insect or vermin damage to a supporting or weight-bearing building structural member that is "hidden" from view, unless the presence of such damage is not "hidden" to any "insured" prior to the abrupt collapse.

(c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

(d) Use of defective materials or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the abrupt collapse is caused in part by:

- (i) A cause of loss listed in paragraph (2)(a) or (2)(b);
- (ii) One or more of the "specified causes of loss";
- (iii) Breakage of building glass;
- (iv) Weight of people or personal property; or
- (v) Weight of rain, snow, sleet or ice, that collects on a roof.

(3) This Collapse Additional Coverage does not apply to:

- (a) A building that is in danger of falling down or caving in;
- (b) A building that is standing, even if it has separated from another part of the building; or
- (c) A building that is standing, even if it shows evidence of cracking, bulging,

sagging, bending, leaning, settling, shrinkage or expansion.

(5) If personal property abruptly falls down or caves in and such collapse is not the result of abrupt collapse of a building, we will pay for loss of or damage to Covered Property caused by such collapse of personal property only if:

- (a) The collapse of personal property was caused by a Cause of Loss listed in (2)(a) through (2)(d) above;
- (b) The personal property which collapses is inside a building; and
- (c) The property which collapses is not of a kind listed in paragraph (4), regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this paragraph (5) does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by collapse.

13. Under H. Property Definitions 2. "**Actual Cash Value**" is deleted and replaced by the following:

- 2. "Actual Cash Value" means the cost to repair or replace Covered Property, at the time of the loss or damage, whether that property has sustained partial or total loss or damage, with material of like kind and quality, subject to a deduction for deterioration, depreciation, and obsolescence as determined by "us."

I. DEFINITIONS

The following definitions are added:

"**Catastrophic ground cover collapse**" means geological activity that results in all of the following:

- 1. The abrupt collapse of the ground cover;
- 2. A depression in the ground clearly visible to the naked eye;
- 3. Structural damage to the "covered building", including the foundation; and
- 4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

"**Contemporaneous**" means active.

"Covered Building" means the principal building that is identified in the declarations that is covered by a roof. However, "covered building" specifically excludes any property under Additional Coverage – Appurtenant Structures."

"Hidden" means something that a reasonable person would not be aware of because it is out of sight or not readily apparent only if there were no signs, evidence, occurrences or issues that would lead a reasonable person to investigate further or hire an expert to inspect which would reveal the unknown circumstance.

"Sinkhole loss" means structural damage to the "covered building, including the foundation, caused by "sinkhole activity".

"Sinkhole activity" means settlement or systematic weakening of the earth supporting the covered building only if the settlement or systematic weakening results from "contemporaneous" movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation. "Sinkhole activity" does not include:

1. Sinking or collapse of land into man-made underground cavities; or
2. Earthquake.

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following:

- (1) Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
- (2) Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the primary structural members or primary structural systems that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those

primary structural members or primary structural systems exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;

- (3) Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical primary structural members to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- (4) Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
- (5) Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.

"Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

"Primary structural system" means an assemblage of primary structural members.

"Windstorm" means wind, wind gusts, rain, snow, sand, dust, tornadoes, cyclones, tropical storms, tropical waves, tropical depressions or hurricanes caused by or resulting from a storm system.
