PUBLIC COMMENT PERIOD

The Public Comment Period is for City-related matters that are not on today's Agenda as business items or public hearings. If you are here to speak for a matter that requires a public hearing, please wait for that item to come up on the agenda. The Public Comment period will be held to a total of thirty (30) minutes. Each speaker will be given three (3) minutes to speak. If you are here for the Public Comment Period, please fill out a GREEN Intent to Speak Form and provide it to the City Clerk prior to the start of the meeting. When the Mayor calls for Public Comment Period, the City Clerk will read the submitted GREEN Intent to Speak Forms in the order they were received. Should a large number of citizens submit public comment period speaker cards, the speaking time per citizen may be reduced to a minimum of two (2) minutes per speaker, to give as many citizens an opportunity to speak as possible during the Public Comment Period. Groups of citizens who wish to speak on the same item or concern may elect a spokesperson to speak on their behalf, in which case an additional one (1) minute will be given to the spokesperson's time per citizen, up to six (6) minutes total. Citizens wishing to elect a spokesperson must be present during the public comment period, indicate the spokesperson on their Intent to Speak forms, and submit their forms together to the City Clerk. If you wish to speak on one of the business items or public hearing items, please fill out a WHITE Intent to Speak Form and provide it to the City Clerk prior to the start of the meeting. Once the item has been presented, the Mayor will call for Public Comment on that specific item. At that time, the City Clerk will read the submitted WHITE Intent to Speak Forms for the current item, in the order they were received. Each speaker will be given three (3) minutes to speak. Please refer to Resolution No. 2025-19 for further information regarding Public Participation Policy & Procedures for addressing the City Commission.
